

Potential Diesel Fuel Hedging Contract

To better meet the needs of our producer members, Dairylea and DFA's Northeast Area Council have created a web-based survey gauging producer interest in a diesel fuel hedging program.

It is critical that we receive producer feedback in order to pursue this program.

Please take a few minutes to fill out the brief online survey, at <http://www.zoomerang.com/Survey/?p=WEB2299UJ7AC4W>.

If you cannot access the online survey, but would be interested in a fuel hedging program, please contact Katie Rossini at 1-888-589-6455, ext. 5581.
